Mangaluru Chapter

And Industries in Mangaluru

Karnataka State Safety Institute (Department of Factories & Boilers) Hosts Insightful Workshop on Chemical Disaster Prevention during the Industrial Safety Meet 2023 in Mangaluru.

The Karnataka State Safety Institute (Department of Factories & Boilers, Mangaluru Division) in collaboration with the National Institute of Personnel Management (NIPM) Mangaluru Chapter and Industries in Mangaluru, jointly organized an Industrial Safety Seminar (A workshop on Chemical Disaster Prevention) on December 26, 2023, at AJ Grand Hotel in Mangaluru. The event featured a distinguished lineup of speakers and experts who addressed crucial safety measures and protocols. The main purpose of the seminar was to observe the Chemical Disaster Prevention Day and to raise awareness about the risks associated with hazardous chemicals and promote measures to prevent chemical disasters.

The workshop was inaugurated by Shri Srinivas K, Director of Department of Factories, Boilers, Industrial Safety & Health, Government of Karnataka and delivered his presidential address during occasion, emphasizing the importance of safety protocols.

The seminar included engaging sessions, such as keynote address by Shri. Nanjappa K G. Additional Director of Factories & Boilers, Government of Karnataka on Building Resilience for Disaster Preparedness and valuable insights shared by industry representative Shri Venu Madhav, General Manager - MLIF, HPCL.

Workshop on Chemical Disaster Prevention

Technical sessions covered topics such as disaster management legalities, safety in chemical storage and handling, and fire and explosion case studies. Experts from leading organizations provided in-depth perspectives on hazard identification, work permit systems, and emergency preparedness and response planning.

Shri Steevan Pinto, Chairman of NIPM Mangalore Chapter, delivered the welcome address, and Shri M. S. Mahadev, Deputy Director of Factories, Mangaluru Division proposed the vote of thanks. A moment of silence was observed to commemorate the Bhopal Disaster, setting a reflective tone for the Workshop.

Workshop on Chemical Disaster Prevention

Representatives from prominent industries like Total Energies, Syngene International, and IOCL presented insights into best safety practices. The event was compered by Alphonsa Paul and Shravya Naik and invoked God's blessings by Sindhoora, MSW students from the School of Social Work, Roshni Nilaya.

This insightful workshop served as a platform for industry professionals to exchange knowledge and experiences in promoting industrial safety and disaster prevention. The workshop witnessed the participation of more than 130 participants from across the region.
